

datasheet Model 903CD

Lifting you well into the next millennium

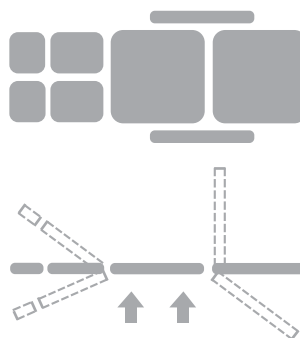

New product designed to allow a virtual 90 degree drop on the leg rests whilst still maintaining complete stability and patient safety. This chair is especially suited for podiatry use and treatment rooms within a general practice, allowing particularly good access for gynaecology procedures.

Standard specification

- Electric height adjustment (Trendelenberg tilt on the CDT model).
- Height range of approx 46cm (18") to 95cm (37").
- Width 65cm (26") by 189cm (74") long.
- Divided and extending legs offered as standard but with a single adjustable leg section also offered at the same cost. Leg length adjustment + 20cm (8").
- Able to lift up to 160kg (25 stone) evenly distributed from it's lowest height.
- All functions operated as standard by a hand switch (optional footswitch).
- Foot section adjustable between +20 and a virtual -90 degrees, seat tilt from 0 to 20 degrees (on CDT tilting model) and backrest adjustment from -20 to +90 degrees.
- Stay level swing back arm rests for easy patient access. (Arms also fully removable).
- Hoist clearance of 13cm (5").
- Adjustable foot for uneven floors.
- Fully washable/ fire retardant Ambla vinyl available in a range of colours.
- Heavy-duty retractable castors for excellent mobility.
- Couch goes horizontal for patient recovery in emergency situations.
- CE marked.
- Matching gas lift operator's chairs available (see options).

Standard Options

- Footswitch.
- Breathing hole and plug.
- Motorised backrest.
- Battery back up.
- Cot Sides.
- Paper roll holder.
- Gynaecology stirrups.
- Operators chair (standard).
- Operators chair (deluxe).

Shipping Dimensions: 190 x 66 x 64 cm

Delivery Promise

Our normal delivery service is 7 - 10 days from receipt of order; however if you have a specific requirement we will always endeavour to meet it.

For your peace of mind

Our unique guarantee is for a LIFETIME on the mechanism and UNCONDITIONAL for 3 years on all components.. This even applies to accidental damage. We will not quibble. The only exclusion is damage to upholstery.

All of our products are CE marked. We are an ISO9001 audited company. Should you require any help concerning the most suitable product for your needs, we would be delighted to discuss it with you.

Upholstery

We offer two kinds of material. Both are Ambla vinyl and fully washable. The standard leather grain vinyl is very stain resistant and dries quickly after washing. This is available in BEIGE, LIGHT BLUE, MID BLUE, DARK BLUE, GREY, GREEN or BLACK. The new non-slip covering feels warmer in winter and cooler in summer. It grips paper towels or covers well and is very comfortable. It does however, take a few minutes longer to dry when washed, and is slightly more prone to staining. This is available in SOFT BLUE, GREEN or PLUM. All of the colours are available at the standard price. Many other colours can be provided. Our material is fire retardant to BS5852 Part 2.
